

TSPC Camera Registration Program

The Security Committee of the HOA Board has put together a [Camera Registration](#) data base that helps our residents and law enforcement partner in solving crime using our security cameras, doorbell cameras, etc. You may be aware that when

an incident takes place in any neighborhood, law enforcement goes door to door, asking for those who have cameras to see if they have captured anything. Our committee allows you to indicate what cameras are in our community to speed up this process. Here are the details from the committee...

If you haven't already enrolled your cameras in this program, please take a moment to consider it.

DO YOU HAVE CAMERAS ON YOUR PROPERTY?

ARE YOU WILLING TO SHARE YOUR VIDEO WITH THE SLO COUNTY SHERIFF'S DEPARTMENT?

Register your cameras, including doorbell cameras, with the TSPC sponsored ["CamReg" database](#).

Go to <https://goo.gl/forms/bX2kmZVW2ga8DM6Q2> and complete the form. Information you provide will be securely managed by select TSPC members who will only provide the information to the SLO County Sheriff's Department should they request it in connection with investigations within the Monarch Dunes community.

Update your information at any time by filling out a new form.

Withdraw from the program at any time by sending an email to TSPC.MD@cox.net and putting the words **CamReg withdrawal** in the subject line. **Include your name and address in the body of the email.**
